

Chronicle Profile Guidelines

The short profiles of PRISM students presenting their research in *The Chronicle* help to highlight the your hard work and interests.

Profiles have the following elements:

- Headshot photo (via the PRISM office)
- Name
- Degree track
- 1 paragraph of biographical text
- Research proposal abstract

Please send your profile text to Eric Dillalogue (edillalogue@jjay.cuny.edu) by **March 6, 2015**. If you have an existing profile, you can either choose to reuse the existing text or update it. If you are a new student, please send the following information – the biographical questions are suggestions and you can craft your own paragraph of biographical text:

Name:	
Degree track:	
Biographical Questions	
Where are you from?	
What made you want to work in the STEM fields?	
What are your education/career goals?	
What is your favorite memory from doing research at John Jay?
